

# Together, we thrive

## Thrive Economic Development

**(ThriveED)** is a public-private partnership launched in 2016 to lead economic development efforts in Jefferson and Dodge counties. Our goals are ambitious, and our efforts are a catalyst for economic growth in our communities. Guided by our Strategic Plan, our focus is on:

- Attracting new businesses and support existing businesses, resulting in new jobs and a more robust local economy
- Working to develop and align the pipeline of workers needed to meet the needs of area employers
- Building a brand that raises awareness and promotes our area's business and quality of life amenities and assets

## Why invest in economic development in the heart of the heartland?

As a business leader, do you believe that your business benefits when your community is able to attract and retain quality businesses and workers?

Do you believe that private sector involvement and investment can result in a more robust economy for everyone?

Do you believe that economic development needs to be a local, coordinated and purposeful effort, led by professionals with economic development experience?

**If you said yes to any of these questions, we invite you to learn more about investing in Thrive Economic Development.**

Our investors share a commitment to creating and promoting vibrant communities. Whether you live here, work here, or do both, you have a vested interest in seeing the Jefferson and Dodge county region truly thrive.

Attracting new businesses and helping existing businesses expand will lead to more jobs in our communities, a broadened tax base and services that enhance the quality of life of all our residents. Your investment is an investment in the business health of our region.

We are excited to be part of a movement that will help build a more vibrant economy and a better way of life in Jefferson and Dodge counties. **We invite you to come along.**
