

INSTRUCTIONS FOR DOWNLOADING THE RLF APPLICATION AND ATTACHMENTS

If you already have a Dropbox account and are logged into it, the screen will look like image A below. Select the files to download, and once you do that, a Download button will appear, as shown in image B.

If you do not have a Dropbox account or are not logged into it, the screen will look like image C below, and you can click on the Download button, and all the files will download into a folder.

Please note: You do **not** need a Dropbox account to download or access these files. If you need assistance, email julieo@thriveed.org
