The Jefferson County Revolving Loan Fund (RLF) is a business-friendly source of supplemental financing created to help qualified businesses locate, expand or remain in Jefferson County.

Eligible uses include:
- Real estate
- Working capital
- Machinery and equipment
- Site preparation, construction and other improvements
- Hardware, software and services to enhance digital presence
- Payment of assessments for sewer, water, street, and other public utilities if the provision of the facilities will directly create or retain jobs

Supporting business growth in Jefferson County

The program is designed to promote the economic vibrancy of Jefferson County by encouraging business investments in the county.

Loans from $25,000 - $275,000
Rates starting at prime
Up to 12 year term
Up to 20 year amortization
